

HRM SOFTWARE REQUIREMENTS –

1. Dashboard Enhancements

1.1 Search Bar

Add a universal search bar on the dashboard to search:

- Employees
- Modules (e.g., Leave Management, Settings, Attendance, etc.)

1.2 Org Structure Display

- Show an **Organization Hierarchy Chart** on the dashboard.
- Include:
 - Employee's reporting hierarchy (upwards/downwards)
 - Quick access to organization structure - put in company policy
- Provide a **standard template** hierarchy in company policy

1.3 Notifications & Alerts

System must show automatic reminders for:

- Pending approvals - Leave (Reporting manager, manager's manager and HR)
- Probation/notice period end dates - (Reporting manager, manager's manager, employee and HR)
- Incomplete onboarding tasks - (C level, department manager and HR)
- Pending access/asset items - (C level, department manager and HR)

2. Reporting Structure & Leave Management

2.1 Reporting Structure Display

Every Employee Profile must show:

- **Direct Reporting Manager** – name + designation
- **Full Reporting Hierarchy** – complete reporting chain
- **Editable by HR** (update at any time)

This reporting hierarchy must automatically sync with the Leave Approval Workflow.

2.2 Leave Approval Workflow

When an employee applies for leave, approvals must be visible and actionable to:

1. HR
2. Reporting Manager
3. Manager's Manager

Any one from above can approve the leave

3. Leave Policy Requirements

3.1 Casual Leave

- Total: **15 paid casual leaves/year**
- Can be used as:

- Full-day = 1
- Half-day = 0.5

3.2 Monthly Paid Leave

- Employees can take **2 paid leaves per month** (any department).
- Additional leaves beyond 2 → **LOP (Loss of Pay)**.
- Show leave balance while applying leaves and in leaves module as well

3.3 LOP Rules

LOP applies when:

- Monthly paid leaves (2) exceed
- OR total yearly casual leaves (15) exceed
- Leaves allocation - System must auto-calculate based on joining month (1.25 leaves/month).

3.4 Maternity leave - Give option of Paid/ Unpaid - Only for HR and admin

3.5 Paternity leave - Give option of Paid/ Unpaid - Only for HR and admin

4. Onboarding Workflow (Sequential Steps)

Next step unlocks only after previous step is "Completed".

Add this as a separate menu option

Step 1: Candidate → Employee Creation

- Create employee master record
- Add personal details
- Set salary

Step 2: Document Upload & Verification

Documents:

Aadhaar, PAN, Bank Details, Education, Past Experience

HR verifies → marks Complete then only move to next step

Step 3: Offer Letter Issue

Generate & upload

Employee Acknowledgement on hard copy

Step 4: Assign Department & Reporting Manager

Select department, designation, reporting manager

Step 5: Access Creation Checklist

Biometric, Email, CRM, HRM login, WhatsApp Group, Internal Tools, Others

Each item: **Done / Pending**

Step 6: Asset Allocation

Laptop, Chargers, Mobile, Mouse, SIM, ID card, Other assets

Status: **Issued / Not Issued**

Step 7: Training, Policy & Employee agreement Acknowledgement

Employee marks "Read & Accepted"

Step 8: Final Onboarding Completion

System shows "Complete" only when ALL items = Done

5. Off-Boarding / Exit Workflow (Sequential Steps)

1. Resignation / Initiated Exit

Employee submits resignation OR HR initiates termination or absconding

2. Manager Approval

Mandatory comment box

3. HR Approval & Notice Period

Set Last Working Day

Update notice period

4. Access Removal Checklist

Biometric, Email, CRM, HRM, WhatsApp, Other accounts

Status: **Done**

5. Asset Collection Checklist

Laptop, chargers, mobile, mouse, SIM, ID card, others

Status: **Collected**

6. Full & Final Settlement

Salary, leave balance, deductions

HR marks "Completed"

7. Relieving & Experience Letter

System generates

HR uploads/downloads

8. Exit Interview

HR records feedback

9. Exit Completion

Shown only when all items = Done

6. Common System Requirements (Onboarding + Exit)

- All steps must be **sequential** (cannot skip).
 - Each item must have status: **Done / Pending / N.A.**
 - System should prevent closure until all items are completed.
 - HR Dashboard must show:
 - Pending onboarding
 - Pending exits
 - Pending access
 - Pending assets
-

7. Expense Management Module (All Employees)

7.1 Expense Categories

Travel, Food, Accommodation, Office Supplies, Client Visit, Internet/Mobile, Company-Specific, Other

7.2 Approval Workflow

1. Reporting Manager
2. HR

7.3 Reimbursement Tracking

Show:

- Paid date
- Mode (Bank/UPI)
- Pending payments
- Total reimbursed (Life time)

7.4 Receipt Upload

Allow uploads as:

- Photo
- PDF
- Screenshot

7.5 Policies

Admin can define:

- No bill → no reimbursement
 - Submit within 30 days
-

8. Dashboard UI – Off-boarding Module Position

Move “Off-boarding / Resignation” module **to the bottom of module list** for:

- Employee login
-

9. Employee Login – Profile Section Changes

Remove:

- Experience Letter (should NOT appear here)

Rename Offer letter to:

- Appointment Letter

Final Display:

- Appointment Letter

New Field in Documents:

- **Current Address Proof** (upload option)
- **Others**

Give option to 'Add Experience' like it has in education - 'Add Education'

10. Attendance Module Enhancements

10.1 Daily Working Hours Display

After Punch In/Out:

- Show Total Hours Worked in Calendar and on Dashboard
- Example:
 - In: 10:02 AM
 - Out: 7:15 PM
 - **Total: 9h 13m**

10.2 9-Hour Completion Indicator

- ≥ 9 hrs → Green
- < 9 hrs → Red

Remove old “half day” remark.

10.3 Weekly & Monthly Summary (Top of Screen)

Weekly Summary

- Total worked hours vs. required hours
- Example: **45/54 hours completed**

Monthly Summary

- Total worked vs. required monthly hours (e.g., 216 hrs)
- Example **176/216 hours completed**

Marked attendance Layout Example:

Date	In Time	Out Time	Total Hours	Difference
01 Nov	10:05	7:00	8h 55m	-5m
02 Nov	10:00	7:30	9h 30m	+30m

10.4 Additional Attendance Logic

Missing Punch-Out

Auto-calc when added later by HR/Admin

Editing Restrictions

- Allow HR/Admin to add/edit punch-ins/outs **anytime**
- Remove "same day only" restriction

Late Mark Rule

- Punch In after **10:15 AM** = **Late Mark**
- Mark shown in RED
- Limit: **3 late marks per month**

- HR can remove late mark manually

Half-Day Logic

Mark day as HALF DAY if:

- More than 3 late marks in a month (even if 9 hrs done), OR
- Total hours < 4.5 hrs
- Missed punch out
- HR can remove half day manually

Salary Deductions

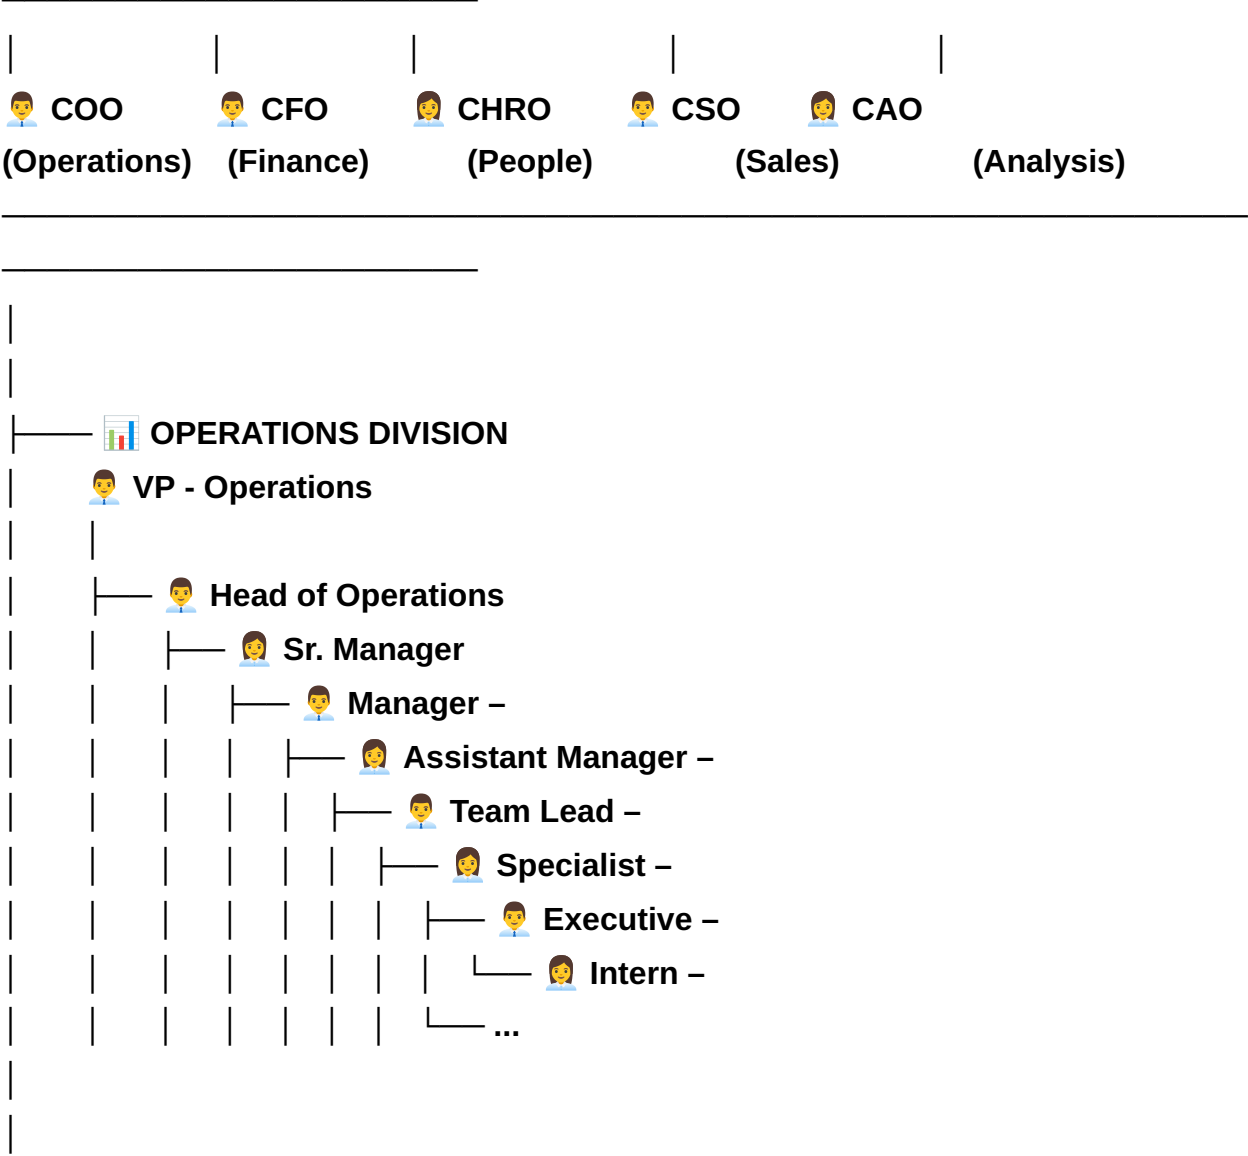

A. LOP - FULL/HALF

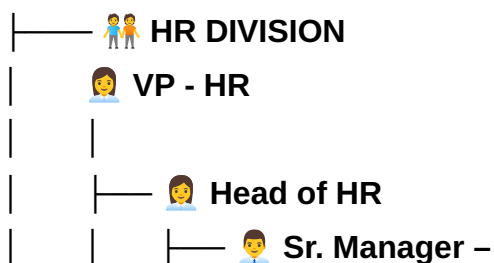

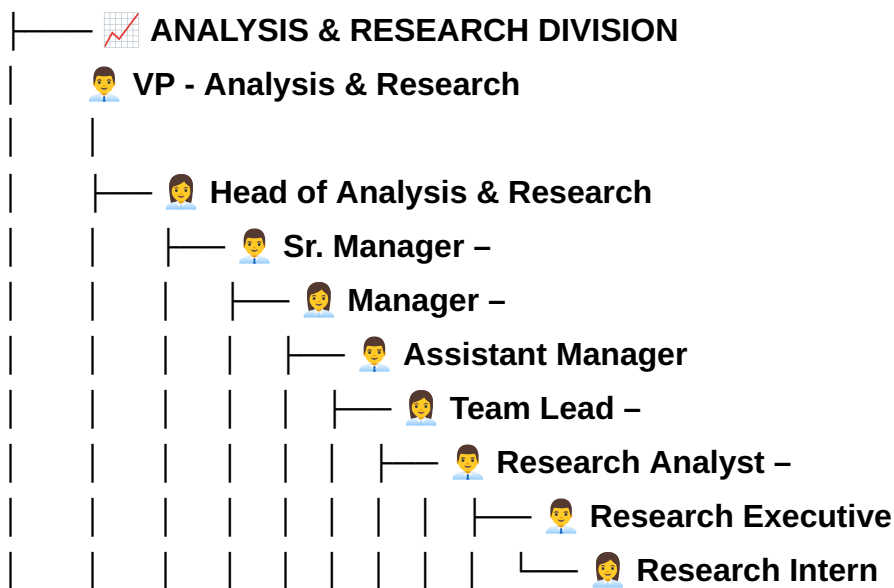

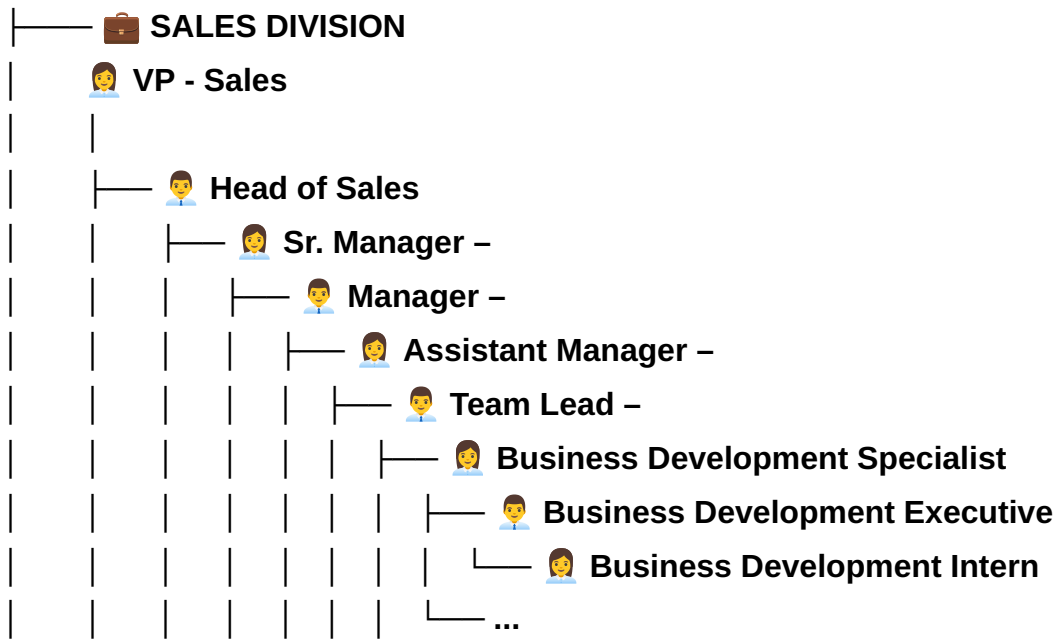

- i. LEAVES MORE THAN 2 COUNT IN A MONTH
- ii. LEAVES AFTER 15 PAID LEAVES

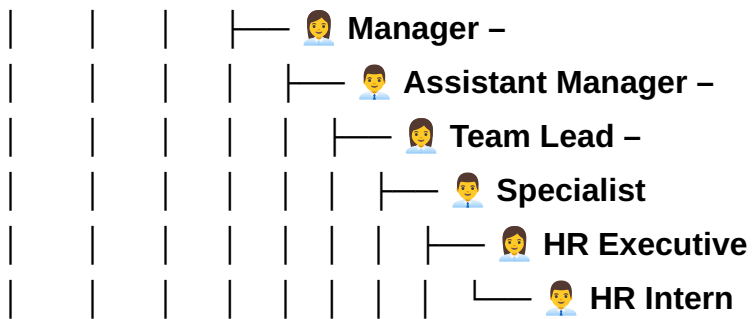

B. OTHER DEDUCTIONS option in Payroll

C. Professional tax - 200/-

CEO

ACCOUNTS & FINANCE DIVISION

 VP - Finance
